ABOUT

I'm Quang (Quinn) Truong, also known as Calabalenc, an interior designer with expertise in graphic design, 3D modeling, and editing. I create cohesive and visually stunning designs that align with clients' visions. With 3D modeling, I can provide realistic visualizations, helping clients understand and visualize the final result before any physical changes are made.

WORK EXPERIENCE

2020 - 2023

→ FOUNDER / DESIGNER

CALABALENC

- Developed e-commerce website that's sell furniture and design services.
- Offered personalized furniture designs based on client preferences.
- Temporarily paused operations due to the need for collaborative efforts in business expansion.

2022 - 2023

→ GRAPHIC DESIGNER / CONCEPT PLANNING

TTT CORPORATION

- Collaborated with senior architects to develop design concepts for various projects.
- Took on a proactive role in proposing design ideas for team consideration and implementation.
- Gained valuable hands-on experience in the architectural design process within a professional environment.

2021 - 2024

→ INTERIOR DESIGNER

FREELANCE

- Collaborating closely with clients to understand their requirements and vision for each project.
- Providing creative design concepts and solutions that meet both aesthetic and functional objectives.
- Managing projects from conception to completion, ensuring timely delivery and client satisfaction.
